First Time User Registration for Interlibrary Loan

To request an item through Interlibrary Loan, you must first identify yourself to the library's ILLiad system. To do this you fill out a registration form using your Web browser.

Registration has three purposes:

- Entering your personal information into the ILLiad system means you will not have to supply the information again when making future requests.
- Having your e-mail and regular mail addresses on file with Interlibrary Loan enables us to notify you promptly and deliver materials accurately when your request arrives in the library.
- By using your library card number and PIN, you will have secure access to information about your requests. You will also be able to review the list of items you have requested in the past.

About your PIN

Your PIN can be the same as the PIN you use in our catalog system, if you wish us to be able to retrieve your PIN for you. If you choose a different PIN for ILLiad, ILLiad will encrypt your PIN, so it will remain secure. Only you will know your PIN, and staff will not be able to retrieve it for you. You will use your library card number and PIN when logging on to the ILLiad system in the future.

Important Copyright Information

WARNING CONCERNING COPYRIGHT RESTRICTIONS

The copyright law of the United States (Title 17, United States Code) governs the making of photocopies or other reproductions of copyrighted materials.

Under certain conditions specified in the law, libraries and archives are authorized to furnish a photocopy or other reproduction. One of these specified conditions is that the photocopy or reproduction is not to be "used for any purpose other than private study, scholarship, or research". If a user makes a request for, or later uses, a photocopy or reproduction for purposes in excess of "fair use", that user may be liable for copyright infringement.

This institution reserves the right to refuse to accept a copying order if, in its judgment, fulfillment of the order would involve violation of copyright law.

ILLiad FAQ (Frequently Asked Questions)

Before registering, you may wish to read the ILLiad FAQ. The FAQ may answer other questions you have about the ILLiad interlibrary loan system.

Charleston County Public Library charges \$2.00 per filled interlibrary loan request. Requests may not be canceled once the item has been shipped to CCPL by the lending library.

You may also wish to read the CCPL interlibrary loan FAQ, which explains our policies.

By pressing this button you acknowledge and agree to all of the terms and conditions above. Please pay particular attention to the copyright statement, the ILLiad FAQ, and the CCPL ILL FAQ. After reading this information, you can press the "First Time Users Click Here" button to continue.

The first time user FAQ will be the next screen to appear. This explains why users need to register, and links to the ILLiad FAQ with more detailed information about ILLiad. It also reminds patrons of the \$2.00 ILL fee, and links to the CCPL ILL FAQ on our website.

After you have read the first time user FAQ, click the button First Time Users Click Here.

How to place a request using ILLiad

On the left, under New Request, are options for photocopy, book, and audiovisual requests. There is also an “other” category for odd things such as microfilm.

In this example, we clicked Book.

Author and Title fields are required, but others are optional. The more information you can give us, the faster we can locate and order your item from another library.

Please allow at least 2 weeks for us to obtain your item.

After we filled in the request form, we clicked Submit Request. The status line (under the ILLiad logo) indicates the request was received, and assigns a transaction number (TN).
