To Whom It May Concern:

On Saturday, February 27<sup>th</sup> Trident Academy will hold our annual auction at the Blackbaud Headquarters on Daniel Island. Funds raised from this year's auction, "A Multi-Sensory Affair", will:

enhance our academic programs beyond the actual cost of tuition  
maintain our small class size with a low student/faculty ratio  
enrich our arts and athletic programs  
offer financial aid for families in need  
sustain our school's endowment  
support continuing education for the faculty  
provide individual and college counseling for our students

We come to you requesting a donation in support of this vitally important event. Trident Academy is a 501(c) 3 organization and all gifts to the school are tax deductible.

Trident Academy serves students in the K5 through 12<sup>th</sup> grade and is located at 1455 Wakendaw Road in Mt. Pleasant, South Carolina. The school was founded in 1972 by a group of Charleston area physicians, educators, business people and parents for bright students with learning differences. The school's mission is to educate the whole child - academically, physically and socially in a multi-sensory environment. Trident's goal is to teach each student to become their own educational advocate. The class size is no more than 8 students with qualified specialist instructors and tutors using specific strategies and remedial support in order to develop each child's maximum potential. Trident Academy is one of only 8 schools in the United States accredited by the Academy of Orton-Gillingham Practitioners and Educators.

Thank you in advance for your consideration of our request. If you have any questions please call our Development office at 884-3494.

Sincerely,

Joe Ferber  
Headmaster
