

September 26, 2008

Dear Trident Academy Fan,

Get ready to soar with the Seahawks this season! We are coming off a great athletic year after adding a new sport (track and field), having two basketball players named to the Post and Courier's All-Lowcountry Team (Sam Henry and Andrew Tarpey) and having the golf team play in the state tournament. However, no athletic department is a success without its fans and supporters.

Attached, you'll find a list of available sponsorships as well as the benefits included with each donation. It is a great chance to be involved with an elite school, to meet other parents and fans and to get your name or your business' name out in the community. All of our sponsors will have either a sign or banner located in our gym the entire year. This offers a unique opportunity to market to the crowds at each of our 12 home games as well as the other numerous community events held in our facility including elections and several basketball leagues. However, most importantly, you are contributing to the success of some of the brightest and most determined students in Charleston. Your involvement will not only enhance the quality of physical education, but also ensures that funding is available for special programs and activities that are so important to developing the full potential of our students.

We greatly appreciate your consideration of sponsorship and look forward to a thriving Seahawks Athletic Season.

See you at our first home game on November 18th!

Sincerely,

Travis Whetzel  
Athletic Director
